

Artist Name: Evil Ed

Art is a way for me to express my self  
And its an escape from day to day life.  
I have been drawing since I was around  
5. But over the years I have tried more  
Artistic styles. I enjoy being creative and  
trying new things. I hope you all enjoy my  
art and all the other peoples stuff. I am  
proud to be included in the program.

Thank you
