

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Jennifer Coelho

I was with a group of women when I painted the "feeling froggy". We all decided to get together & have a painting date, this is what I drew & painted.

The market bag is something I love to do. I love to crochet and is what I do in my extra time. I crochet all kinds of projects for me & others. The market bag was something I wanted to make, but had no one to give it to. It was a fun project.
