

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Theodis Trimble-Bey

I want to thank Mary Anne Tannis, Volunteer @ Muskegon Temporary who taught painting and drawing. She often said "don't be afraid to put the paint on the canvas." Now I use my craft to stay ticket free, keep a clear head and meditate. Art is a confidence builder. I get a great reward when others appreciate my art work. This is something I definitely see myself continuing to paint once home in society.

Peace

Mr T. Trimble-Bey
