

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Thomas Stoneman

I am currently serving a 10 year sentence for delivery of a controlled substance. I am a father of one amazing son. He is 19 years old and the reason I wake up everyday, he is my inspiration for my artwork. I would also like to acknowledge my late father Jack Stoneman. He was an amazing artist even though he was at a disadvantage of being color blind. He did all of his drawings in black and gray ink. He passed away in 1984. I was 4 years old. Rest his soul.
