

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Tyler Steinhilper "Scarlet Red"

Hi,

Hope you like my work. I've just recently gotten back into drawing. For a while I was lost and lonely and didn't have the incentive, but now with recent events I do. I want to show the world who I am and what I am capable of. Enjoy!

My Alien work came from watching Ancient Aliens and Paranormal Caught on Camera. The Lonely Cowgirl is me. And the Ocean "Lost but found by light" is just a lighthouse idea.

I Just hope people enjoy my Art series.
And I hope people can see a story out of my art work.
