PCAP Miniatures 2021 Exhibit

Artist Name: Willie Anderson

I like art because art is everything. Everything you see or think is art. A artist is inside everyone. Even if it doesn't manifest itsself as a painting, or a drawing.

Art invokes emotion. Just like a tug from the moon. Invokes a wave on a beach in California. All profits from my work goes to support the PCAP program, so be generous. Please also view my other works on instagram @weall--

Thank You
