

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Matthew Scroggins

Please bear with my artwork this year. I've had a few health issues causing hand trembles. I use my art as a meditation on life. I prefer pencil work because like Black and White film it shows the truth behind the color. Still your mind and enjoy the onion layer infinite reality of our simulation. Thank you for your time, Matthew Scroggins. If you would like to inquire about further work, or are in need of a penpal as I am feel free to contact me. You can find my current address on OTIS if it changed.
