

Artist Statement- 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Holly K. Hibbler

I apply my skills in the paint for a few reason's. Firstly, I enjoy painting, it takes me away from prison life of anxiety and worries of not being able to see my loved ones, providing even for myself let alone for my family. Secondly, To bring beauty out through my mind and apply it to the world. To see peoples eye's light up when they see what I've created. Thirdly, The hope that someday I'll be just as good as my Grandpa George Hibbler. He went to art school, faught in the army and had a good family life.
