

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Robert Jones

**I** am just beginning my painting life as a way to show my love for the outdoor life. **I** believe that the painting is part of life that ~~you~~ would see at home and allows me to be at peace as **I** watch such a creator like the Dragon Fly, the Peter Pan of the forest be able to fly around so effortlessly. They are beautiful in color.
