

Artist Name: Christopher A Gray

I Love making things from Nothing projects are a good pass time and materials can come from any where to me Art is more then just a painting its ones passion a reflection of Self it can mean many different thing to both Artist and Colector and No Peice of Artist are alike No matter Your Skill Level anyone can create art through music, Arcutecher, dance, building, sculpting and more for me it helps me finde an temporary escape from Stress and Helps me think of a good time or Place Like Crafts with my Kids or playing when I was a Child. MY art today is a reflection of some of these things and memories. the Art You see today is about different things. Love is about parenting Hope is about MY first time in the hole I had Nothing but Sugar and Paint Chips from the walls, the fire is about passing of life, and SPIrit and Knowlage. Gma is a tribute to my favorit tv Showe hearts is about being sweet Littly as its made with Sugar and Colaidans dreams is well for dreaming
