Purge Detroit (2030), Political Games

Hi! I've been drawing for about 10 years now I have participated in about 7 yrs of U of M art shows.

I have been mostly inspired to draw and capture important moments in time such as the "Trump Era".

also I'm from Detroit, MI and watch the TV show "The Purge" so I decided to combine the two I believe that it's a great combination and makes a great collage with excellent visuals.

I hope that you all enjoy my art just as I enjoyed drawing them.

I hope to create thought and imagination ~~and~~ among all the viewers/visitors.

thank you and please enjoy
