

Artist Name: ALL PAIN, NO PITY!

I LOVE ART THERAPY! I've been at it for awhile and PCAP is an exemplary measuring rod for an artist's growth! I've advanced from just plain pen drawings to watercolors with PCAP! Now, I'm going to evolve again to acrylics! So exciting! I'm an old man, but this platform keeps my heart and mind flexible and young!

Sincerely Absolutely,
no.
