

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Brad Cournaya 185064

I've been an artistic person my whole life, through my art and when I tattooed, I find enjoyment in making others happy. If my drawings or my 3-D art put a smile on someone's face it makes me feel useful and not useless. Being in prison is hard, through my art I'm able to transport myself to a better place while I work.
