PCAP Miniatures 2021 Exhibit

Artist Name: KG

I have been drawing since I could pick up a pencil. I went to college for Game Art Design and then for Programming, with a focus on Video Game Development. It was, then, that I put the pencils, pens, and paints away for digital art.

I started drawing again here for multiple reasons, but the main ones being to pass the time and, more importantly, to keep from dwelling on what I have lost. Everything that I had in the world is gone, but as long as I have a pencil, I can create anything. Drawing pales in comparison to what I had, and I will always long to have my life returned to me. But drawing is an escape, and it's something that cannot be taken from me.
