Fight the Good Fight of Faith

"Fight the Good Fight of Faith" ~~SP~~ ^(SP)
The dried flower wooden plaques represent -LIFE
WITHOUT PAROLE as they're from plants in our housing
unit small yard ^(Backyard) that has been nurtured by many prisoners
for over 9 years. Even though, we only had our fingers,
sparks, cups, bowls and sticks to provide life to these
flowering plants - ~~they~~ ^{they} still survived life on minimum rain
at times. This year 2015, Staff sent a memo out to
inform prisoners "No more plants or planting of plants in the
^(Backyard) small yard, the horticulture dept will maintain front of the
unit only." Yet, we was blessed to have these
flowering plants not removed?? I wanted to share these
beautiful flowering plants with society before they're
dug up by Staff and thrown in the trash/dumpster. Many
years these flowering plant provided me peace, a purpose,
and place to fellowship with prisoners to fight the good fight of faith
