I See Chaos

I love to create I have been
blessed with a gift from God and
I use it in many ways. I started a
non profit ministry call P.A.L.M This
stands for Prison Art Love ministry.
I also use my gift to make people
feel good. I have a passion for art and
my subjects range from skulls to angels
I use alot of mixed media's I love to bend
the rules of art and discover new things
when I paint or draw I'm not in prison
and the product always causes some type
of joy for someone it's a win win
especially when serving God.
