

## Artist Statement

Please include a statement to the exhibit visitors. This statement can include, but is not limited to information about your personal and/or artistic background, insight into why you create art and what you get out of it, or details about specific pieces that you are exhibiting.

### PCAP Miniatures 2021 Exhibit

Artist Name: Ellis Mills III 734673

First off, I am honoured to participate in this inspiring Art program. I've been receiving the PCAP letters since 2012 and have never participated until now. I have been into Art for a long time, and my <sup>Art</sup> Style conceptualizes my spiritual truths through my Art. I wish more people from my spiritual path and Religious belief would express their thoughts, Deities, Ritual presence, Dreams and ideas through fine art. I have been a "Satanic Based Daemonator (Theistic Satanist)" for over Twenty years. I've Always expressed my love for life, Art spirit and carnal likes through some sort of art, be it an actual ritual with drawn sigils or an elaborate ~~mixed~~ mixed media drawing. I do make, spirit vessels also, sigilized spirit dolls, boxes, statues ect. But the negative light shined on my spiritual path makes it hard to express my artistic love in prison, I've actually had some of my pieces confiscated and been written tickets for them. Here is some about the drawings themselves. The one w/ the tree is "The Qlippathic tree of night" (death) it's basically a concept of ten spiritual planes and I drew the first one, "Malkuth" (Earth; Self) and the two skeletal figures are a re-creation of the spirit "Be-Li-Al" guarding the entrance to the first sphere of the tree. The shadow in the cavity is Lilith's sister in her shadow form, "Nathemoth". The head on top of the tree with the candle burning is "Moloch" and it represents the self crowned with the wisdom of the Black Flame - The second drawing is "How I've seen this spirit in dreams after making a pact w/ it. In medieval Grimoire traditions Lucifer/Pofocul is supposedly the DAEMON of pacts, and Emperor of Hell. As well in my traditions he is the shadow aspect of Lucifer, but still a separate entity in its self. He holds in his right hand a bag of coins one is to sacrifice to him every day once a week in the ground, representing power of material gain. In the left hand he holds a ring of large size, which represents his hierarchical rank and attribute of granting one treasure (wisdom, power). The scroll parchment is being puked from a spirit's mouth and is a pact of Lucifer's written w/ the quill and blood ink. The sigil of L.R. floats above it all burning blood red representing infernal power and mastery. Well, that is some about me and my Art. Again, it's high honour to submit art to you wonderful people and will be from here out with shadow scourge and Raven sorrow I end this. HAIL SATAN.
