

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: ALL PAIN, NO PITY! (2024) bka

MR ANTHONY WAYNE SPRAGGINS, SR. - I have the belief that my skill has evolved somewhat! I finally get the eyes and hands shape right! (lol) But, the constant is that my art form of: "Album cover abstract chic", is still no more than my therapy and a way to void the frustration, angst and painful isolation from my Familia RAZA! It has become too, a mode of defiance and persistence - passively of course, to the duress engineered by the P.T.B.'s in the M.D.O.C. ~ Some of them though are good eggs - not most though! So, I endure and strive to thrive with MY ART!
