

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: MOSES WHITEPIG

I'm trying to share a tiny sip of the ocean with you.

Grab the ocean and try to take it with you, all you'll end up with is a wet hand.

Sure. You can fill a tanker truck (still insignificant) but; how much can you drink and how long will it take you?

Drinking too much is called: drowning.

A work of art isn't finished until it's sold. *Moses Whitepig*

Did you get any of that?

It's a good show! [as]
