

Artist Name: TRACY LEIGHDec.

Tracy Leigh is a singer, writer, artist with a heart for Jesus Christ. Grateful for how He has saved me and blessed me, I hope my efforts can be uplifting, inspire, motivate others and somehow express freedom in various forms. Art is an expression of my non-captive mind. It relaxes me and takes me outside of the brick walls. I am interested in what others see in my art as I continue learning to be better. I'd be grateful if you would use my art to stir creativity in your world.
