

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Brad Cournaya 185064

I've been blessed with the ability to create things that I see in my mind. I'm a kid at heart I loved doing models and playing with toys as a child, now being able to create toys for my kids and neices and nephews, and be able to draw things, all of the negative things I've done in my life, it brings me happiness to put a smile on peoples faces with my Art work. I appreciate the opportunity the Art show gives prisoners like me to show people that we can be productive and creative regardless of are situation, please let me know if you enjoy my Art, It would put a smile on my face, thank you to everyone for showing us your support.
