Getting better in some area's and  
I will keep trying.

I have never before sold my paintings  
until the UM project. I admire the  
fact that you all help me be recognized  
as an artist. I have had 3 tattoo  
shops that never went to far because  
my focus got lost to drugs. Now  
that I have been sober for 5 yrs and  
entered the project my focus has re-  
turned to doing what I love best "Art".

Thank You for Your Help!!  
😊
