

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: RAYSKI.

Why do I craft/make artwork?

I find it a relaxing form of escape. By focusing my time & energy on Crafts, it not only keeps me busy, but, time seems to go by faster when occupied. Not only that, but like a chain, all their sales help me to afford to continue buying the ever increasing Materials to make more. PCAP is a Major factor of that as I reinvest all the Profits into more Materials every year.

So, it's all of your Supporters I thank for contributing to my artistic growth. Couldn't do it without ya!
