

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: William Michels # 211867,

I'm pretty much a doodler when it comes to art.  
I see something that inspires me then I just  
draw it. I actually really love true art work  
like going to art gallery's or art exhibitions.  
This is all an attempt for me to try and call  
myself an artist, but I believe we all have  
a little artistry in us, and that doesn't  
include Pictionary, lol.
