

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: _____

I lived in Mexico for a few years and really got to experience ~~the~~ ^{and} understand the meaning ~~of the~~ ^{of the} culture and ~~traditions~~ ^{traditions} that influence some of my work. (Like this one.) I've been drawing with graphite pencils for over 10 years and recently started experimenting with color pencils. Art for me is therapeutic and the feeling you get when you ~~complete~~ ^{accomplish} something you've put a lot of time and effort into is undescrivable. In this piece I actually tried mixing media, pen and color pencils for the first time and I really enjoyed it. It was fun.
