

Artist Name: DARYL WAGNER #155358

Thank you for allowing me to show another piece this year.

This subject depicts a white tail Buck in the wild, in winter time.

Hunting, especially deer hunting was a favorite passtime before I was sent to prison.

I hope everyone likes this piece, once again thank you.

Sincerely,

Daryl Wagner

The other piece is a female redwing black bird on a cattail. ☺
