

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Vincent Soto

This year was hard for everyone so I decided to add color to my paintings. I wanted them to be vibrant and I wanted them to stand out. Even with the zombie pin-up, the color kind of makes it a some-what cheerful picture. Even though it's kind of morbid. However, that's life. Good ; evil. Dark ; light. We would never know the good without the bad. ~~So~~
~~These two pictures, I feel, compliment each other.~~
I hope everyone enjoys my art. I enjoy making it and would love any and all feedback or ideas. Thank you for coming to the show.
