

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Stix

I Just Learned how to Crochet about 30 days before this Project, so I thought I would start somewhat simple, but I have progressed a lot since then so next year should be fun.

I used to draw a lot but wanted to try something new and see what I was capable of. Working with my hands has always brought me peace so its something fun and new.

its a beginners piece but I still worked hard and had fun while doing it
