

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: The Ghost A.K.A. Jeremiah Rahula Black

Open your mind.

We are all on the precipice of our own enlightenment.

We are all on the same path, and will reach the end, eventually.

The only things we can leave behind are the things we create

The things we create need to inspire, elevate, and move others further
down the path.

Please edit your Artist Statement to fit the space provided.
