

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Jeff Hoaglin #397199

I'm so glad the Art Show is back  
PCAP inspires me to go outside my  
norm and draw something I'd hope to  
see hanging in a hall, high on a wall.  
Art has been a great way to escape  
the everyday. I have many hours in  
this years drawings Charcoal is a  
medium I've never used mixed with  
graphite I love the texture and flat-  
ness often missed with graphite alone  
I hope you enjoy all the art created  
by the inmates this year A lot of  
hidden talent rests inside these walls.

Thank you
