

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Shawon D. Freese

Individuals use the Label Artist I Abhor this
One is not an Artist, but is instead Art itself.
This is all of mankind. We are separate pieces of
Art, also together we make a much larger piece of something
unfathomably Greater. What we produce is just an extension
of self the Art is us, therefore we are the Art.

piece of
me

P.S. This is my first color piece ~~_____~~
~~_____~~ $\frac{1}{3}$ my first exhibition
of any kind. I've never owned my own ART supplies
before, besides a regular number 2 pencil and writing or copy
paper. I always created for the freedom of expression and
the pure joy I gained from drawing itself I plan on
expanding to use more mediums when I get the chance. New
things are always fun.
