

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: _____

I enjoy the Freedom and peace I get when painting. It is a release for me. And being in prison, one really needs the release.

I ~~chose~~ chose these peaces because they where fun to do. I did them as a group with other artist I am close to, we did them as a group and usually all doing the same painting and comparing styles.

Now I am releasing them for others to enjoy!
