

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Nano

Sometimes it's hard not to look Back, my
biggest fear is looking back and setting
myself back to the Dark past,

So I look out to the future, I'm from
the Southwest Side of Detroit. My art Reflects my
history, This include the good and bad. My style is
Inspired By the Chicano Art, I'm proud Mexican/American

I hope my art inspires others to push forward
and become free in mind and spirit, Even Those with
no outdate,
