

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: TALLGUY

TALLGUY began painting just over a year ago. Studying and learning through art books and with other artists in the housing unit. With a love for everything outdoors. Painting it is very enjoyable, brings some peace, and provides a positive distraction. A kinda "mind" escape from the drudges of prison. Looking forward to new paintings that are challenging and improve the artistry; from composition, color mixing, and everything in-between. Hope these are enjoyable.  
"Hey TALLGUY, keep movin'!"
