

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name:

David B. Lessie

To me art is a great way to show many emotions happiness, pain, and so much more, I'm new to this form of art, the artist range I'm really into is music, I love all the many faces of art and that's why I chose to be apart of this great thing PCAP have going on. To share my art with the world is more than a blessing to me and I am honor to be in the company of other artists who are far more skilled in this art realm, My art is simple, its inspired by the young and beautiful woman Ms. Gabby that sadly went missing not long ago, My 2nd art piece is inspired by America Flaws, I hope you enjoy them. To comment on them you can reach me at J-pay.com to Email me ... I hope to hear from you.
