

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Erik Swank AKA TIKTOK

I try to spend my time doing things that are positive like reading, drawing, painting, playing my guitar or watching some informative programs even fixing broken things if possible. Sometimes I just start drawing sort of unconsciously and a piece of art will take shape and just "POP'S" other times not so much! Sometimes I discover something that I'm compelled to try to replicate, again sometimes it "POP'S" sometimes it doesn't.

I guess it's the same with all artistic endeavours, but what do I know!

Thank you for your interest! It is very encouraging!
