

Artist Name:

Miracle

I went back to the beginning of drawing
for me — As a kid I just drew with
a No. 2 pencil —

I was thinking of B334 — I grew
up listening to his music — watching
his shows with his family —

I wanted to do something to
honor his memory —

And my Cross — last minute!

Wanted a Statement piece —

it says it All —

We All would like a second Chance
in our life for something we've
done —

I thank you —
Miracle
