

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Johanna Danelle Allish

Greetings,

I have been doing art all my life, off and on.

I currently paint in acrylic but would love to try oil one day.

I don't have a set style and shift from Abstract all the way to realistic, My Favorite is mixed art and scenery.

My art is to be viewed as fun, pure, simple mostly.

I call myself a lazy artist but that only because I like taking my time like some of my better's do. Speedy hands

on a palette I spend two hours at most on most of my works. Here is a small sample of my work.
