

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mr. Tormented 

For the Takara Haku (Treasure chest), it is inspired by the  
Asian color scheme for ~~the~~ good luck and fortune.

For the Mr. Tormented (Classic), it is a face  
that I have been drawing for a while. It  
will be the face <sup>logo</sup> of my brand one day.

For the Mr. Tormented (tie dye style), it's  
a fun variation from the original. I made  
this to change it up a little.

I make, draw, and paint, what ever comes  
to mind. I know that I like but I hope  
you enjoy it as well. Sincerely  
Tormented
