

Artist Name: Roemello 'Mello' Boseman.

My name is Roemello Boseman. I go by Mello to my friends. My artwork is generally black and gray, with some color work. My inspiration generally comes from other media; Music, Comics, Movies, Artwork. I have been drawing all my life and have been tattooing for 12 years. My style can most accurately be described as dark, or moody. I try to depict the stronger, darker emotions, as they are the emotions we all feel, and all try to keep below the surface. I think this allows all people from all walks of life to be able to connect from my art, even if it isn't their usual subject matter.

I hope you enjoy!
