Artist Name: Michael "Zip" Moore

"IF HAYLEY HAD A GRAVE" IS SPECIAL TO ME. My mother (Hayley) passed away early into my 20 year sentence. I recently found out that she was cremated AND her REMAINS ARE IN A SHOEBOX IN MY step-father's closet. This tore me up. I started thinking about what I would say if I were AT her gravesite, AND how I would ~~interpret~~ express what I SAW in her AND what she meant to me.

This is the result! I hope you appreciate its layers AND it's meanings. Thank-you for supporting PCAP AND our artwork.

Sincerely,

Michael "Zip" Moore
